2020 Rules and Policy Announcements

USDAA has announced a number of rule and policy changes that are being phased in throughout 2020. One or more of these changes are to be in effect at this event. Please review the [Rules & Policy Amendments on usdaa.com](https://www.usdaa.com/rules-policy). Surface Type: Outdoor on Field Grass
Ring Configuration: 100 x 100

Directions to the Site

Please note the following:

Our driveway is difficult to locate. There is a small strip mall called Pinepoint Plaza that is located across the street. It contains a post office and a fitness club. Pull into the shopping plaza. Find the drop boxes for the US Mail. Look directly across the street and you will see our training field and a small sign that says Simons Place. The dirt road that the sign marks is the road to our training field. You can then easily drive to our field.

Should you get lost, call 843-813-2131

There are a lot of roads in the area with Ashley in the name. So make sure that you are on Ashley River Road which is also Hwy 61.

Amenities

- This event will be held outdoors on grass, within one ring. Our training facility is fenced. However, we do not guarantee that the fence will contain all dogs. It is the handler's responsibility to keep their dog contained and safe. There will be ample room for crating ringside, but no other provisions for sun or rain. Some parking will be provided close to and at ringside. Please bring your own chairs and blanket and/or canopy. The restroom is a porta-pottie.
- There will be additional overflow parking within walking distance just outside the gates of our facility at the machine shop.
- **Please do not wander down the dirt roads surrounding the facility. These are residential driveways and you will be trespassing.** If you are caught trespassing you will be expelled from this event and will not be allowed to enter all future LCDA events that are held on this property.
- A single warm-up jump will be provided for competitors. The warm up area is located behind the score tent and is separately fenced. All dogs must be on leash except when being judged or in the warm-up area
- Safety shall always be of foremost consideration in actions and conduct by handlers at all times.
- Competitors alone are responsible for the behavior of their dogs and/or children. Anyone whose dogs and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Trial Committee, be asked to leave the test site.

PLEASE VOLUNTEER: This is a one ring - one judge show, and there will not be any conflicts, so we expect all competitors to pitch in and work at the trial. In return, we will provide all competitors with the great food and southern hospitality that our club is known for.

On-Site RV Parking

There is no onsite RV parking available for this event.

Check-in & Measuring

Dog Measurements & Certification

All dogs not jumping 24" in the Championship Program or 20" in the Performance Program at local and regional events must be measured unless they have permanent USDAA or World Cynosport Dog Registration status or a temporary card with 3 signatures as required by the regulations, making the dog eligible for their jump height (prior to 3 years of age). Please note that only dogs 18 months of age and entered in the event may be officially measured.

A Dog that Measures Up at Check-In - May Run FEO

If a judge's measurement of a dog at check-in establishes that the dog is ineligible for the height class in which entered, the competitor may

- Run the dog at the higher height in the same program based upon the measurement,
- Modify the entry to enroll the dog in the proper height class in the Performance Program,
- Modify the entry to enroll the dog in the proper height class in the Veterans Program if the dog is 8 years old
- Run For Exhibition Only (FEO) at the next lowest jump height, but only in the program entered.

Because entry into a higher height is permitted in the Performance and Championship Programs, a dog measuring lower may not be moved to a lower height in either program.

Entries & Acceptance

No Entry For Exhibition Only

No entry "For Exhibition Only" shall be accepted, except as provided for in Chapter 10 when Intro Program classes are offered. See additional note for club policy regarding dogs that measure up.

General Rule on Eligibility

This event is sanctioned by the United States Dog Agility Association, Inc. ("USDAA").

This test is open to all persons with dogs being at least 18 months of age (14 months of age pursuant to Chapter 10 for Intro Program when offered OR for Sanctioned Match), regardless of pedigree or absence thereof, who have a current registration with USDAA and whose owners and the dog's handler are currently in good standing with USDAA.

This event will be held under USDAA® Official Rules and Regulations, a copy of which may be viewed and printed online at [USDAA Rules & Regulations](#), as amended.

Policy on Refusal of Entry

The Organizing Committee of an event may refuse the entry of any competitor or dog for just cause should the Committee view that participation by the competitor or dog could be prejudicial to the sport. However, in such case, the Committee must notify the competitor in writing upon receipt of entry, but in no case, more than three days following the event closing date for acceptance of entries. The burden of responsibility for the appropriateness of such action rests solely with the host group and its Organizing Committee.

NSF Check/Credit Card

Any check or credit card that is charged back by the bank or other financial institution may be assessed a service charge of up to \$40 per incident at the discretion of the host group.

Returned checks or credit card returns do not constitute a valid entry. Amounts shall be paid within 30 day of postmarked notice of the returned payment if such date follows the event date. Any fees not received within 30 days of notice will result in cancellation of event results for all classes related to the entry for which payment was made. No reinstatement of results is possible, and all awards must be returned within 10 days of notification or the dog's registration may be suspended pending restitution.

Any unpaid fees or shortfalls must be paid prior to the start of the event, or entry is canceled without recourse.

Refund Policy

There shall be NO REFUNDS for entries withdrawn after the closing date for acceptance of entries, for absentee, dismissal from the event as a result of disciplinary action, dismissal from a class, or for any other reason. Also, no entry fees will be refunded if the event cannot open or be completed by reason of riots, civil disturbances, acts of terrorism, fire, "act of God", public emergency, strike, or any other cause beyond the control of the host organization.

Submission of Entries with Secondary Move-Up Date

All entries or cancellations must be received at the Secretary's address no later than the closing date, after which time no entries will be accepted or cancelled. For entries received by the closing date, the level of entry into a given class may be advanced by notifying the Secretary in writing via email by the "Secondary Closing Date". No other changes, cancellations or additions may be made after the initial closing date.

To be accepted, entries must be complete, signed (by parent or legal guardian if handler is a minor), received by the closing date and accompanied by the correct fees and include a valid USDAA registration number on a completed registration form.

Next-Day Move-Ups Allowed At This Event

Competitors earning a qualification during the Event that is needed to complete a title may advance their level THE NEXT DAY at the same event, i.e. move-ups on consecutive days ARE allowed.

Competitors are responsible for keeping accurate records of their qualifying scores and the judges from whom these scores were earned prior to this event to ensure that the dog is eligible to move up based upon scores earned at this Event. Competitors are advised to confirm scores earned with the scorekeeper and judge at the conclusion of a class to ensure the qualifying score has been accurately calculated and awarded in accordance with regulations. If for any reason it is determined that the score or previous scores were inaccurate, making the entry ineligible for the higher level class, any results (including awards) shall be forfeited and the entry will be deemed invalid without refund or other recourse.

Move-up forms supplied by this event must be used to notify the secretary BEFORE she leaves the site the day on which you earn your title.

Express & Overnight Entries

Entries sent by Fedex, Express Mail or other courier service will only be accepted if the waiver allowing delivery **without signature** is signed. The club will not be responsible for deliveries delayed if a signature is required.

Media Release & Rights of Privacy Waiver

Media Rights Release

I HEREBY GRANT TO USDAA and its affiliated companies, representatives, agents and assigns, all rights and permission to use or appropriate his/her and their dog's name, biography, likeness, photograph, voice, performing persona, or other indicia of identity for broadcast, telecast, cablecast, transmission or distribution in any format or media known now or in the future.

Waiver of Rights to Privacy, Publicity & Personality

FURTHER, I HEREBY RELEASE United States Dog Agility Association, Inc. and its affiliates, representatives, agents and assigns from any claim or cause of action for invasion of the rights of privacy, right of publicity, right of personality, or any similar right.

General Entry Conditions

Prohibitions on Aids & Devices

No leads, collars, food, toys or other aids or devices shall be permitted on the course at any time, except as provided for in Chapter 10 when Intro Program classes are offered, or in Chapter 8 when Junior Handler Program classes are offered.

Running a Class "For Exhibition Only" (FEO) at Local Events

A competitor may enter a class at a local event (events other than regional, national and international championship or special events) and declare on the day of the event that they are going to run "For Exhibition Only" (FEO). Declaring "For Exhibition Only" requires that-

- the Gate Steward, or the Competitor in the absence of a gate steward, clearly mark "FEO" by the competitor's entry number on the posted running order
- the Competitor vocally declares to the Judge and Scribe, "FEO", when advancing to the start line
- the Scribe clearly marks "FEO" on the scribe sheet
- the Scorekeeper records the round as "Withdrawn", denoting the round as a noncompeting round in the official results and shall be ineligible for awards

Additionally,

- non-audible toys are allowed but must be used in a manner that does not distract other dogs running in adjacent rings
- the dog shall be run at the height at which it was entered.
- the maximum time on course allowable is the Standard Course Time (SCT); however, the judge, in their sole discretion, may dismiss a competitor from the ring for any behaviors that are deemed unsafe or harsh, or that do not present the sport in a positive way.

Statement of Responsibility

Competitors alone are responsible for the behavior of themselves, their dogs, children, and guests. A competitor whose dogs, children or guests create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Event Organizing Committee, be asked to leave the test site.

Policy on Fault Limits

In the event of a larger entry, fault limits may be set at the discretion of the Organizing Committee and/or Judge without pre-event notice.

Spam Blocker

Confirmations will be sent via email using the secretary's address. If you have a spam blocker on your email account, please configure it to allow email from the secretary's address since confirmations will be sent from this account.

Fix & Continue Will Be Allowed At This Event

The USDAA Policy Statement on Training in the Ring or "Fix & Continue" has been adopted for this event and is hereby incorporated in its entirety by reference. Competitors are expected to familiarize themselves with this policy, which can be found on the USDAA web site at [Official USDAA Policy Statements](#)

Fix & Continue during a competition run generally provides for repeat of an obstacle at handler's discretion under conditions set forth in the Policy Statement. When discretion is exercised to utilize the Fix & Continue, their score will be recorded as an elimination and the maximum course time set to 60 seconds. This practice may be utilized only once in any Standard, Jumpers, or Relay class (including similarly-styled tournament classes at qualifying events). The competitor must continue working the course in flow, while "fixing" and "continuing" on the course. See the Policy Statement referenced above for complete details.

Bitches in Season

Special provisions are being made for competitors who have bitches in season (BIS). Any dog that is ill or exhausted and pregnant bitches cannot take part in the running of a class at competition. Our policies for this event are-

1. BIS shall wear sanitary britches at all times when moving about the grounds at the event, and while competing in the ring.
2. Handlers are required to notify the trial secretary as soon as they know they are running a BIS at the event.
3. Handlers shall minimize the exposure of their BIS to other dogs, and limit their movement about the show grounds.
4. BIS shall be noted next to their name on the gate sheet for every class so that other competitors and ring crew are aware.
5. BIS shall run in their assigned position in the running order.

Class Descriptions

Titling Class Rules & Descriptions

One or more titling classes shall be held at this Event from those described in Chapters 3 - 8 of USDAA Official Rules & Regulations, which are downloadable from www.usdaa.com/regulations/usdaa-rules-and-regulations.cfm, and any amendments there to, which are hereby incorporated by reference.

Tournament Class Rules & Descriptions

One or more tournament classes are being held at this event, the rules and description of which may be downloaded on the Internet at [Tournament Regulations](#), and are hereby incorporated by reference. A written copy may be obtained from the Event secretary.

Mixed-Height Pairs Entry Allowed

Dogs entered as partners in pairs relay at this event may be combined without regard to jump height, i.e. a mini dog may be entered as a partner with an open dog. Any pair consisting of at least one open dog must qualify in accordance with the QCT set forth by the judge of record for Open Pairs AND will be considered an open pair for placement purposes.

Veterans Program Classes

Veterans level classes offered at this event are open to a competitor with any dog that is at least eight (8) years of age as of the first day of this event. Previous experience in the sport sufficient to establish proficiency and confidence in performance is strongly encouraged. A dog entered in a Veterans class on a day may not be entered in that class in the Championship or Performance Programs. Complete program rules can be found at [USDAA Rules & Regulations](#) including amendments.

Mulligan Runs Not Allowed At This Event

Due to time constraints, the show committee has determined that Mulligan Runs will not be available at this trial.

Miscellaneous Class Miscellaneous Class

The Miscellaneous Class provides handlers an opportunity to train in the ring and reward their dog with an audible toy. It is open to all dogs regardless of current level of competition. Dogs must be at least 18 months old and registered with USDAA.

There will be a maximum course time of 65 seconds. The time will start 5 seconds after the handler has been given the "GO" signal or after the dog crosses the start line (whichever happens first). There will be a numbered course or you may choose to train a specific obstacle or skill. The course layout will be the same as the course that precedes the miscellaneous class that day. Those entered in the miscellaneous class will walk their course at the same time that the class is walking. There will be no separate walk through for the miscellaneous class and it will begin immediately following the conclusion of the preceding class without a break in between. The dog may be rewarded inside the ring with a toy and may occasionally exit the ring with it's handler and be rewarded with a food treat. You may then return to the ring and continue until the 60 seconds maximum course time has been reached.

Harsh or abusive handling is STRICTLY PROHIBITED and will result in immediate dismissal from the ring and shall be subject to the disciplinary actions pursuant to Appendix C of the USDAA Official Rules and Regulations.
